40" x 40" x 18" H

**With Top:** 44" x 44" x 19½" H • 400 lbs

Vertical Panel Technology is the smart alternative to block and stone masonry. Reinforced concrete panels and an easy installation process make constructing outdoor living spaces quick and affordable. This technology enables you to choose the texture, profile and color palette to fit the natural landscape of any backyard or outdoor setting. Reduce material waste and environmental impact, while delivering the highest quality vertical masonry structures.
